SUBJECT: Appropriation of Federal BJAG Grant

Recommendation: That Council appropriate \$1,780.00 to the FY20 Federal BJAG grant 235.330 for the purchase bullet proof vests.

Discussion: BJA records indicate that our jurisdiction has FY2017 Bulletproof Vest Partnership Program funding still available that will expire September 30, 2019. The remaining balance plus the BVP match will support the purchase of \$1,780.00 in vests. We request that this amount be allocated to the 235.330 Bullet Proof Vest Grant account for this purchase.

Fiscal Impact: None
