Hey there Ros,

Commerce asked us to update the letter of request for the \$25K in support of IRONMAN for 2020 instead of 2019, so I have done that. Is this going to require doing back on the agenda? And if so, when is the next meeting?

Amanda,

If you plan to pick up the letter today – it will be on the chair in my office, just come on back and pick-up.

Thanks,

Great and how about the letter to Commerce?

Amanda,

The final approval was signed this morning. We needed two signatures. It has been forwarded for payment with the next invoice run.

Thank you for the time you put in to coordinating the IronMan effort.
