

2020 Eagleman and IRONMAN Maryland

Council Meeting Presentation

2019 Recap

Eagleman:

- 2,929 total registered athletes (raced ~2350)
- 26 countries represented
- 45 states

IMMD:

- 2,197 total registered athletes (raced ~1850)
- 42 countries represented
- 49 states

Each athlete averages 2-3 traveling companions which means, including athletes, we had ~8500-12600 visitors to Cambridge between these two events.

A total of \$42,500 was given to the local community through IRONMAN Foundation volunteerism grants. Recipients included Rescue, Neck District, Taylors Island and Church Creek VFDs, teams/clubs in Dorchester County Schools, YMCA and other local non-profits.

IMMD was also chosen to participate in the IRONMAN Foundation's Bikes For Kids initiative. During race week, 100 bikes were assembled by volunteers/athletes and donated to our local elementary schools and CPD to be distributed throughout the year.

2020 Outlook

Eagleman is June 14th and IMMD is September 19th

Currently registered ~1700 for Eagleman and ~1250 for IMMD

Eagleman is host of the NA TriClub Championships – East again this year.

The bike and run courses for both races have been approved by CPD and the Sheriff's Office

We will be having an IRONKIDS race at Eagleman again on June 13th at 9am at Gerry Boyle Park.

Open to ages Ages: 6 months-13 years old

Distances: 1 mile, 1/2 mile, Toddler Dot Trot (80ft) and Diaper Dot Dash (26.2ft)

Price: \$20.00

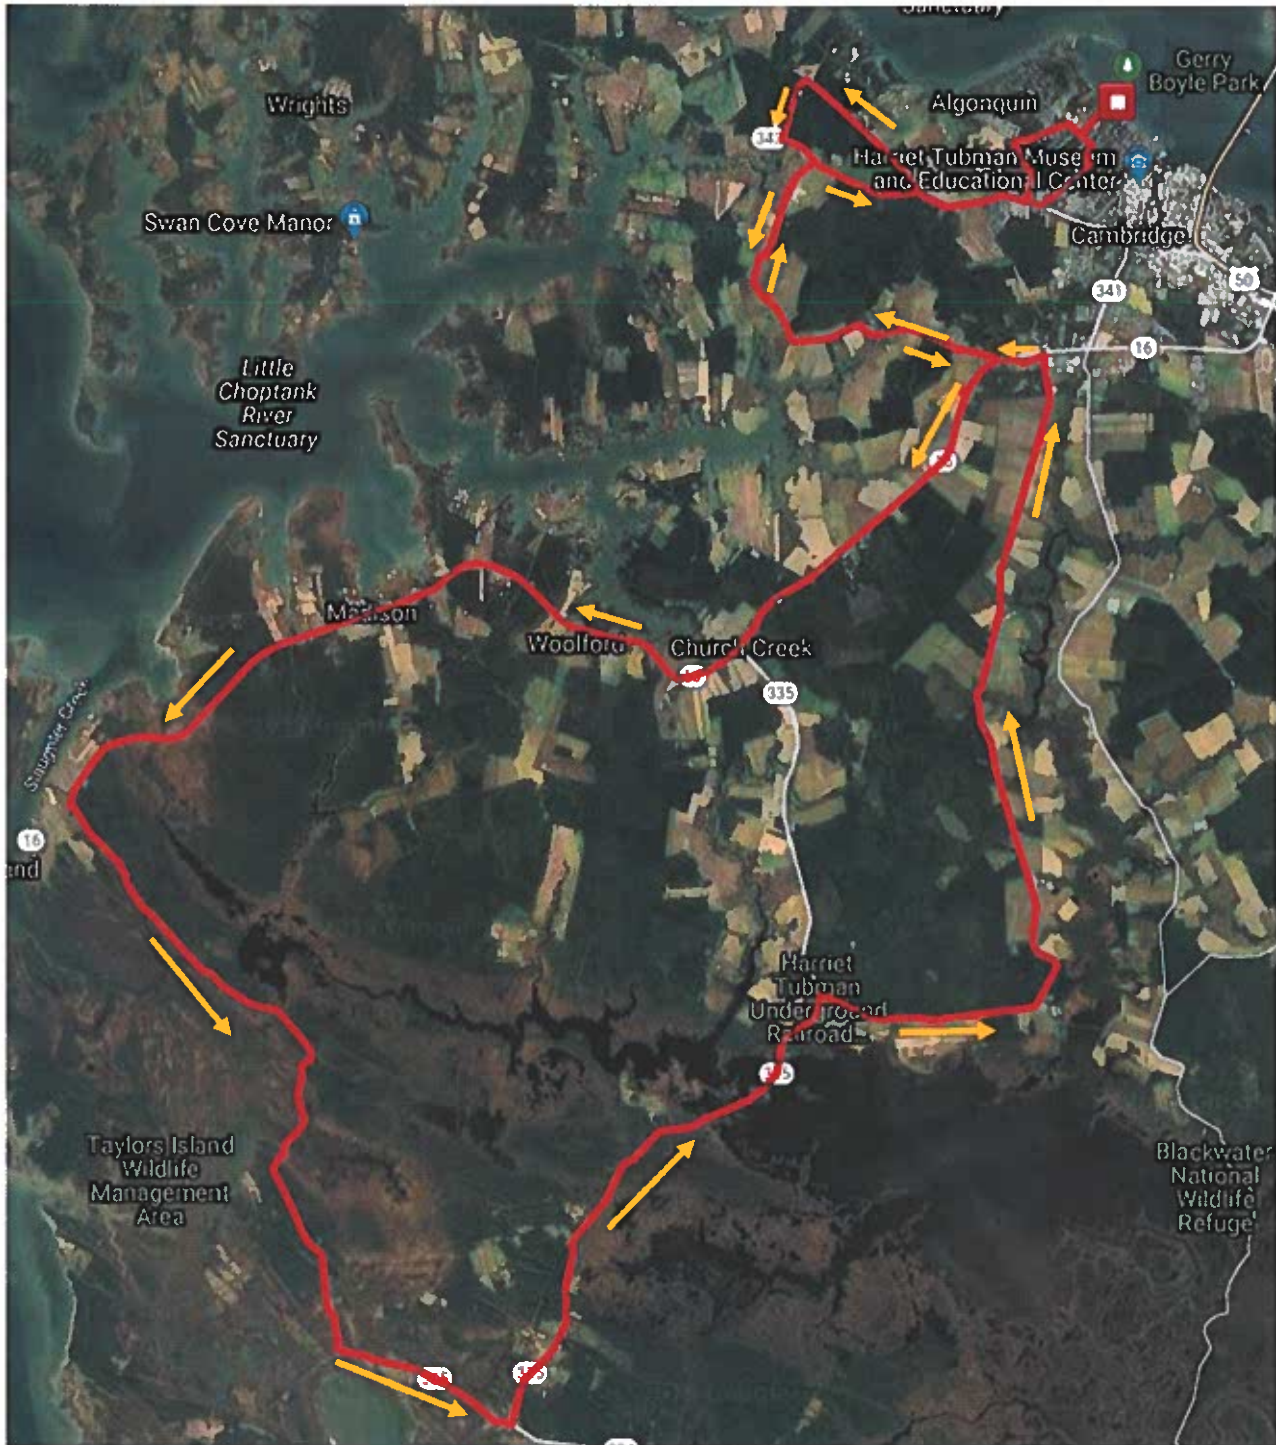

YMCA will receive a give-back from the Foundation for each participant.

Eagleman Bike Course

Change – Return Via Leonard’s Lane

Note – Need to keep an eye on Church Creek roadwork project this spring

Eagleman Run Course

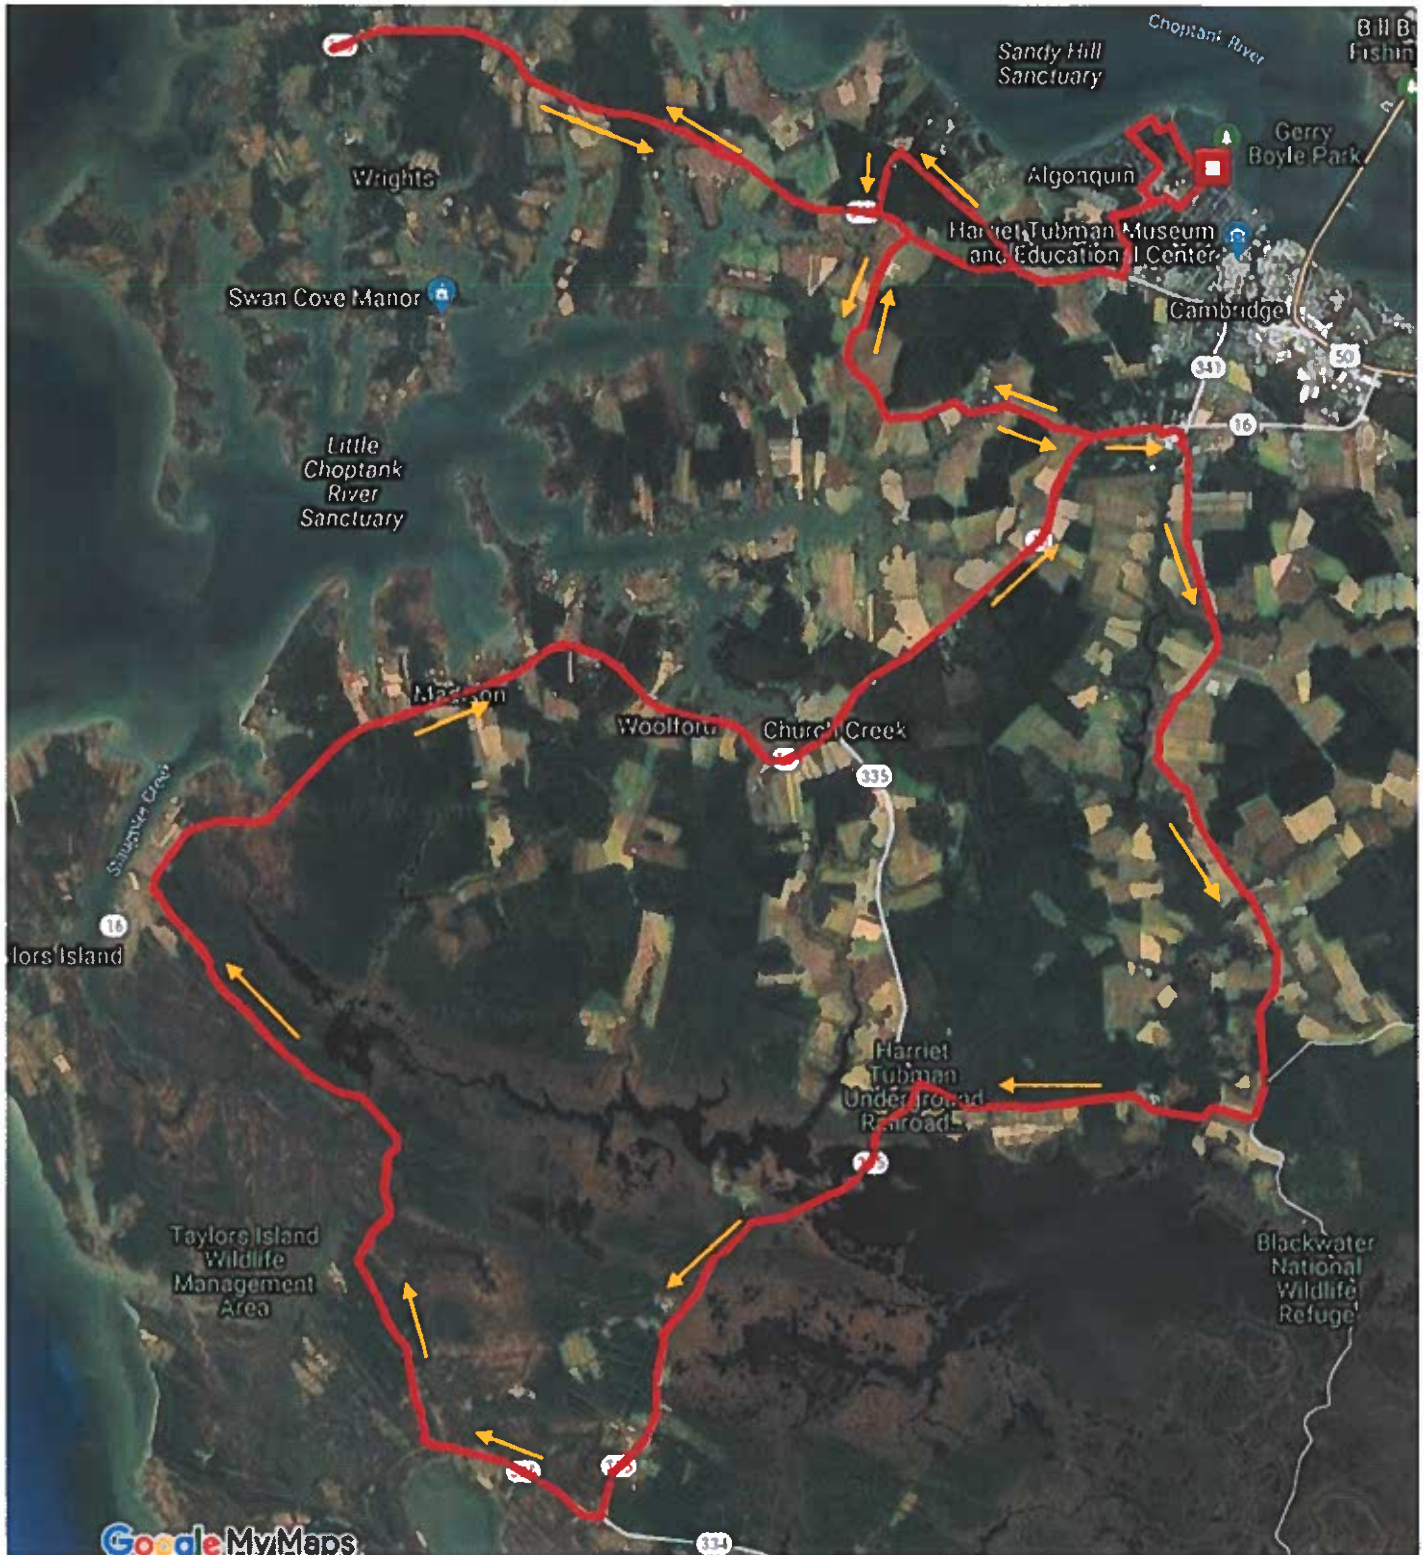

Change – 2 Loops, turn around at Riverside and Bypass. No longer going out on 343/Horn Pt Rd.

Bikes will return via Leonards Lane so no overlap of bikers and runners on Jenkins Crk

Ironman Maryland Bike Course

Changes – “Alternate” course that we have had to use the past 2 years is now the official course. This will alleviate last minute changes and concerns of course flooding. Still in discussion with CPD as to whether we should reverse course direction on the “Loop”. Also, bikers will return via Bypass/Jenkins Crk

Ironman Maryland Run Course

Changes – Course will head downtown first, set up will occur 1 hour earlier as a result. Course is now 3 equal loops and no longer goes onto Jenkins Crk or the Bypass. A one-direction loop has been added on Mimosa/Wisteria/Holly Terrace.
