RE: Early Termination of Contract

Dear Mr. Cowens:

We are writing to advise you the Commissioners of Cambridge are terminating our contract early providing you a sixty (60) day notice as stipulated in our marine service management agreement of July of 2018. We look forward to working with your staff to facilitate an orderly transition of the management of the marina to the city.

We sincerely wish you and your associates a successful future.

Respectfully,

Patrick Comiskey
