

## Council Agenda Report

**Date:** August 24, 2020

**Submitted by:** Mark Lewis, Police Chief

**Prepared by:** Mark Lewis, Police Chief

**Subject:** Purchase of two police vehicles

**Recommendation:** I am recommending the city purchase two police vehicles under the state contract pricing per vehicle of \$41,313 and authorize the police chief to declare two current vehicles surplus and allow for sale. The two vehicles to be declared surplus for sale are as follows:

C-12 2007 Crown Vic Vin#2FAFP71V58X141092

C-21 2011 Crown Vic Vin#2FABP7BV6BX103939

**DISCUSSION:** We purchased three new cars last year and we retired and sold off three older vehicles. We recommend buying three each year and retiring three; however, this year we are only buying two vehicles because of the anticipated COVID-19 impact on city revenues. We plan to retire two vehicles and sell them. We will absorb the overage beyond the \$80,000 budgeted from other line items within the police department budget.

**Fiscal Impact:** \$82,626
