I'm not sure if Mayor Bradshaw is aware of Herschel Johnson's resignation as an HPC commissioner on 31 Dec 2020. I found an email address for the mayor (not sure if it is current) and if you could make sure that this email reaches him I will appreciate it. Susan Morgan (vice chair) and I have discussed having LaSara Kinser who currently is the HPC alternate taking Herschel's position. She is interested and will do so if approved by the mayor.

As you know the HPC is a commission that provides support and guidance for the West End Historic District under the Maryland Historic Trust and Federal Secretary of Interior Guidelines. HPC positions need to be filled by qualified applicants who meet the Professional Qualifications Standards as established by the Secretary of the Interior Standards. Ms. Kinser meets and exceeds those standards. Susan Morgan and I as chair and vice chair of the HPC recommend that the mayor elevate Ms. Kinser from her current position as alternate to a full commissioner on the HPC. I have attached a copy of the professional qualification standards and a copy of Ms. Kinser's resume for review.

Thank You

George Vojtech

Chair HPC
