December 29, 2016

Mrs. Sandra Tripp-Jones
Cambridge City Manager
410 Academy Street
Cambridge, MD 21613

Dear Mrs. Tripp-Jones:

On behalf of the Cambridge Power Boat Racing Assoc. thank you for the support in helping CPBRA continue the tradition of the Cambridge Classic.

In our effort to grow the impact of this event we have been negotiating with another race sanctioning body. Both groups have agreed to include Cambridge on the 2016 Hydroplane Racing League (HRL) calendar. The impact is twofold. HRL is committing approximately 60 boats. Combined with the two classes from APBA we are estimating 75 boats on the waters of Hambrooks Bay, which will make Cambridge the largest race on the East Coast.

The second impact is the reason of this letter. We will have to change the previously requested and approved date from May 27-28 to May 13-14. So we are requesting permission to move the use of Great Marsh Park, the noise variance, the permission to have motor homes on park grounds and sale of beer forward two weeks.

This would include exclusive use of the park from Friday May 12 through Sunday May 14, closure of the boat ramp by 3 pm on Friday May 12. We will begin set up, weather permitting, on Monday May 8. The set-up process will not block the walking track or limit any other use of the park by citizens.

Should you have questions or if I can offer any help please do not hesitate in contacting me. My mobile is 410 463 1547 and my email is oanelson8@yahoo.com.

Sincerely,

O. Allen Nelson,
Vice-Commodore
