Dear Sirs and Madam Mayor,

May is National Safe Boating Month. Since Cambridge has many boating activities, Cambridge Sail and Power Squadron endeavors to hold safety demonstrations and exhibits, yearly, to help inform the public of boating safety issues. We plan to hold a flare demonstration at Great Marsh Park on Saturday, May 21, 2016, at 1PM, for the Cambridge Sail and Power Squadron, and any interested boating organizations and the community. Whereas it is illegal to use flares when there is not an emergency, most people have never used a flare and there is no time to read the directions at the time of an emergency. Persons would be allowed to try a flare under supervision. United States Power Squadron, our national organization, holds insurance for these events. The Fire department, 911 office, and the U.S. Coast Guard will be notified. The exact location at the park will be determined when wind direction is known. West Marine has been kind enough to donate outdated flares and will be represented. There will also be a fire extinguisher demonstration and public participation, under the observation of a professional fireman/EMT. There will be a safe boating exhibit in the library for the month of May with information for the public. We are requesting a pavilion for a picnic at noon, May 21st, 2016.

In the past, we have received a proclamation from the City of Cambridge proclaiming "Safe Boating Week" in May. [a format of this has been supplied to the city]

Thank you for your cooperation.

Sincerely,

Nancy Lee Harvey, Commander
Cambridge Sail and Power Squadron

Proclamation

Proclamation by the Mayor of the City of Cambridge

- WHEREAS,** on average, 700 people die each year in boating-related accidents in the United States; approximately 71% of these are fatalities caused by drowning; and
- WHEREAS,** the vast majority of these accidents are caused by human error or poor judgment and not by the boat, equipment, or environmental factors; and
- WHEREAS,** a significant number of boaters who lose their lives by drowning each year would be alive today had they worn their life jackets; and
- WHEREAS,** today's life jackets are more comfortable, more attractive, and more wearable than styles of years past and deserve a fresh look by today's boating public.

Therefore, I, Victoria Jackson-Stanley, do hereby support the goals of the North American Safe Boating Campaign and proclaim May 21 to 27, 2016, as

National Safe Boating Week

and the start of the year-round effort to promote safe boating.

In Witness Whereof, I urge all those who boat to Wear It and practice safe boating habits.

WITNESS MY HAND AND SEAL THIS 14th DAY OF MARCH 2016.

ATTEST:

Sandra Tripp-Jones
City Manager

Victoria Jackson-Stanley
Mayor
