

Council Agenda Report

Date: March 2, 1026
Submitted by: Daniel A. Dvorak, Chief of Police
Prepared by: Daniel A. Dvorak, Chief of Police
SUBJECT: Community Office
RECOMMENDATION: That City Council:

Receive report on the opening of a new community office at 428 Race St.

Discussion:

The police department has been granted permission to move into an empty storefront at 428 Race St. This will improve the look and feel on that block by having an inhabited business and provide a police presence downtown.

Fiscal Impact:

Estimated \$255 utility cost for FY16 which may be reimbursed through a donation.
