

## Council Agenda Report

Date: May 9, 2016

Submitted by: Sandra Tripp-Jones, City Manager *STJ*

SUBJECT: City Mayor and Commissioners Election

Recommendation: That Council approve the Dorchester Board of Elections list of judges for City of Cambridge primary and general elections.

Discussion:

Attached is the list of election judges offered to the City by Dorchester County Elections Commission.

For the upcoming City primary and general elections, June 14 and July 23 respectively, the County Elections Commission recruits and screens election judges. Election judges are an integral part of the process as they administer the voting procedures. It would be impossible to hold an election without them as they are the only contacts between the Elections Office and the voting public during the voting hours. Judges serve from 8:00 am until all their duties are completed after polling closes at 8:00 pm.

The City pays election judges directly following the election and submission of costs prepared by the County Elections Commission staff.
