

## Council Agenda Report

**Date:** September 26, 2016

**Prepared by:** George W. Hyde, PE, City Engineer

**Submitted by:** Oden C. Wheeler Jr., Director DPW 

**SUBJECT:** Award of Contract for Annual Street Resurfacing

**Recommendation:** That Council award the contract for the annual street resurfacing to low bidder Russell Paving Company, Inc. for the amount of \$227,000.

**Discussion:**

As approved by the City Council at the meeting of August 22, 2016, DPW solicited bids for the City's annual street resurfacing contract. Three (3) bids were received as follows:

Company	Paving Price (per ton)	Milling Price (per ft.)
Russell Paving Co., Inc.	\$91.99	\$3.19
George & Lynch, Inc.	\$96.75	\$3.58
David A. Bramble, Inc.	\$96.00	\$6.25

We anticipate that the work covered by this contract will be completed by the end of November 2016.

**Fiscal Impact:**

The approved budget for Fiscal Year 2017 includes \$250,000 for street resurfacing. A purchase order for \$23,000 was previously approved for paving on Egypt Road as a joint project with the County. This contract would utilize the remaining \$227,000 of the budgeted funds for resurfacing.
