

Agenda Item No. 06

Date 11-14-2016

## Council Agenda Report

**Date:** November 14, 2016

**Prepared by:** Ginger Heatwole, Finance Director

**Submitted by:** Sandra Tripp-Jones, City Manager *gjt*

**SUBJECT:** Re-appropriation of Façade Improvement Grant

**Recommendation:** That Council re-appropriate \$50,00 into the fiscal year 2017 General Fund budget and increase the Public Works/Economic Development budget by \$50,000.

**Discussion:**

With the end of the fiscal year, grants that span fiscal year 2016 and 2017 need to be re-appropriated into the budget. This grant was previously approved by council and part of the fiscal year 2016 budget. The Façade grant is a grant that the City receives every year and is used to improve building appearances.

**Fiscal Impact:**

The Facade grant will not cause the City to incur any additional costs as these expenditures are paid for by grants.
