Subject: 809 Fairmount Ave Property

Greetings Mayor Stanley and Commissioners The reason for this letter is on January 15, 2019 My wife Arlette Sampson and myself Rufus Sampson lost our two store home to fire and all of its contents at 805 Fairmount Ave. we plan to rebuild with a single one level home. The property at 809 Fairmount is owned by the city and is next to the small lot we own 807 Fairmount. I am asking the city to donate 809 Fairmount Ave or sell it to Rufus & Arlette Sampson for a \$100.00 donation.

We have a hardship that we are trying our best to recover from our loss with this request of 809 Fairmount Ave will help make this possible.

I will await to hear from the City on this request
