Mayor Victoria Jackson-Stanley
Cambridge City Commissioners
410 Academy Street
Cambridge, MD 21613

Dear Mayor Jackson-Stanley:

As you know, Delmarva Community Services, Inc., is in the process of constructing a multi phase development on Chesapeake Street in Cambridge. We are very close to beginning construction. Our vendor has been identified and awarded the contract.

Delmarva Community Services, Inc., is a private non-profit organization under section 501 C-3 of the Internal Revenue Service. Recently it has been brought to my attention that our building permit to begin construction has a cost associated with it of \$50,844.62. As a non-profit, I am requesting some relief from the cost of the building permit.

At first I would have considered the City forgive us the cost. However, I know that may not be reasonable. I would however wish that the City may discount the cost by fifty percent and ask that the charge could be \$25,422.

Thank you for taking our request into consideration. I would be happy to meet with you regarding this worthwhile project.

Please call me at 410-221-1913 to set up a meeting to show you the plans.

Sincerely,

Santo A. Grande Ed.D
President/CEO
