Subject: Refuse Collection RFP
Date: March 11, 2022

The City entered into a three-year contract for refuse collection with Chesapeake Waste in June 2017. We are in the second year of two (2) one-year extensions of the contract.

Your approval is requested to have staff prepare and issue a Request for Proposals (RFP) to obtain a new contract. We would hope to have a new contract in place prior to the end of the current contract in mid-June of this year.
