NOTES:

1. No building shall be occupied until final inspection is made and a certificate of occupancy, if required, is issued by the building inspector.
2. This permit expires six (6) months from the date approved
3. Any development or improvements may require a wetlands permit from the U S Army Corps of Engineers and/or the State of Maryland
4. The work described in this permit may invoke requirements of local and/or State Forest Conservation Programs, Critical Area and/or floodplain ordinances and/or Floodplain development programs.
5. Plan review and approval by the Dorchester County Health Department and the State Fire Marshal's office, as well as inspection of electrical work by a certified inspection agency, may also be required to determine compliance with County and State codes
6. Stormwater management plan must be approved prior to permitting when applicable.
7. It is the applicants responsibility to ascertain availability of utilities to the subject property(ies). All costs to extend utilities to the property shall be borne by the applicant unless prior agreements have been made between the applicant and the City

The undersigned, as owner (building contractor and-or agent for the owner) of the proposed construction hereby applies for permission to perform said construction in accordance with the provisions of Chapter 4 of the Code of Laws of the City of Cambridge, and authorizes inspection of the property as necessary to determine compliance with said Code.

The applicant hereby swears or affirms under penalty or perjury that the information given is true and correct to the best of his/her knowledge and belief. And that he/she will bring to the attention of the Office of the Building Official any change or divergence thereof.
