Concept Plan for 201 Mill Street

# GOLDEN SHORE APARTMENTS & DUPLEX

CAMBRIDGE, MARYLAND

Duplex Architectural Inspiration:

*Features matching neighborhood - mixed pattern siding mimicking Queen Anne and neighborhood vernacular architecture, gable front with set of small windows, detailed decorative trim work, rounded columns, pediment features, covered entry*

*First floor would feature an entryway and a garage, avoiding the garage being the dominant feature of the structure*

*CONCEPTUAL SINGLE UNIT, Duplex would present as a mirror.*
