

5/1/23- NOTICE OF SANITARY SEWER OVERFLOWS

As a result of heavy rainfall and high tides over the weekend, the Department of Public Works is reporting that sanitary sewer overflows occurred in the areas of Water Street, end of Oakley Street and Southside Avenue. The areas of the overflows are being cleaned and overflow reports are being filed with the Maryland Department of the Environment. The public is advised to avoid contact with any standing water in the vicinity of an overflow. There is no threat of contamination of the local drinking water supply.

For additional information or to report an overflow, contact the Department of Public Works at (410) 228-1955.
