# TRAFFIC IMPACT

Dear Residents,

The IRONMAN 70.3 Eagleman Team would like to thank you in advance for your display of hospitality during the 2023 IRONMAN 70.3 Eagleman. On Sunday, June 11, around 2,500 athletes will once again be visiting Cambridge and Dorchester County to test their physical and mental limits. Over the course of the day, they will be racing throughout the community as they complete a 1.2-mile swim, 56-mile bike and 13.1-mile run in succession. We ask for your continued cooperation and understanding on race day as you travel around the city and county. As always, we appreciate your support and ask that you proceed with caution, utilize detour routes if able, and allow for additional travel time to your destination. Participants count on you for motivation on race day, so bring your friends and cheer them on, or even volunteer! We look forward to another great event and hope to see you out there!
