

City of Cambridge Homeowner Helper Program (HHP)

The Homeowner Helper Program is designed to provide seniors (age 50 and above) with financial assistance to offset the cost for critical structural, mechanical, and façade repairs needed in their homes. Structural issues include risks to life, health, and property such as storm-damaged roofs, leaking pipes, and unsafe concrete steps. Mechanical concerns involve environmental conditions impacting appliances and accessibility, while Façade problems encompass visible damage like cracked siding and broken windows. Repairs range from \$1,000 to \$15,000 with a 0% interest loan repayable at transfer of sale.

Additions:

All Applications with supporting documents must be submitted at once to the Housing Program Specialist, at 1025 Washington Street, Cambridge, MD, 21613, or Emailed to Gwoolford@choosecambridge.com.

Review and Score: All applicants will be reviewed and scored based on the critical repair needs described above. For homeowners facing urgent repairs, age requirements may be waived depending on the urgency and severity of the needed fixes.

For more information please call the City of Cambridge Department of Housing at (410) 228-1955
