

5/6/25- NOTICE OF SANITARY SEWER OVERFLOWS

As a result of high intensity rain and high tide, the Department of Public Works is reporting that a sanitary sewer overflow occurred in three locations: 1. Hayward St 250 feet north of intersection with Byrn St., 2. Water Street at Vue de Leau, and 3. Water Street between Mill St. and Choptank Ave. The areas of the overflows have been cleaned, signs have been posted, and an overflow report is being filed with the Maryland Department of the Environment. The public is advised to avoid contact with any standing water in the vicinity of an overflow. There is no threat of contamination of the local drinking water supply.

For additional information or to report an overflow, contact the Department of Public Works at (410) 228-1955.
