

3/27/25- NOTICE OF SANITARY SEWER OVERFLOWS

As a result of a clogged sanitary sewer line on Hayward Street, the Department of Public Works is reporting that a sanitary sewer overflow occurred at the following location: Hayward Street, 250 feet north of intersection with Byrn St., directly in front of the Sailwinds building. The area of the overflow has been cleaned, a sign has been posted, and an overflow report has been filed with the Maryland Department of the Environment. The public is advised to avoid contact with any standing water in the vicinity of an overflow. There is no threat of contamination of the local drinking water supply.

For additional information or to report an overflow, contact the Department of Public Works at (410) 228-1955.
