For Immediate Release:

Trash Receptacle Etiquette in Cambridge

Cambridge, MD (May 5, 2025). Residents of the City of Cambridge are reminded that trash cans awaiting collection should be placed at curbside, not in the street or blocking the sidewalk.

Trash cans should be placed at curbside no earlier than 5 p.m. the day before trash pick-up is scheduled. Trash cans should be removed in the morning after trash is collected. Cans should not be left at curbside for hours or days after collection. This is both unsightly and unhealthy.

Trash cans should be stored between trash collection days out of sight towards the rear of a resident's house whenever possible.

Chesapeake Waste's 2025 holiday schedule is at the link below. Trash will not be collected on the dates indicated. Trash pick-up will resume on a resident's next regularly scheduled pick-up day.

The City of Cambridge thanks residents for their cooperation in helping to make Cambridge a healthier and more attractive city for everyone.
