Cambridge Capital Improvement Funding Included in Maryland's Capital Budget

On Wednesday, Jan. 21, 2026, the Moore-Miller Administration announced the Fiscal Year 2027 budget, which included \$2.65 billion for Capital Improvement Program (CIP) projects. CIP supports building construction, infrastructure, and the development of long-term assets for the state.

As part of the release of the budget, the state sent to Dorchester County leadership a list of the CIP funded projects within the county for FY27, which total \$27.377 million.

The following projects for Cambridge are on track for FY27:

\$66,000,000 Bill Burton Fishing Pier State Park pier demolition and rebuilding
\$ 3,000,000 Multiple Bridge Improvements
\$ 2,750,000 CSDHS HVAC Replacement
\$ 1,000,000 Cambridge Yacht Marina Basin Improvements
\$ 305,000 Leonards Lane New Pocket Park
\$ 102,000 Cambridge Library Renovations
\$ 50,000 Cambridge Facade Improvement Program

While the FY27 budget has not yet been adopted, many initiatives important to Cambridge have been included in the plan.
